COLD CUP LIDS

Seal It. Serve It. Sip It.

Comprehensive cold beverage lid series including flat, dome, sip-thru and flavour-button formats.

Secure seal for confident transport

Designed for a tight, leak-resistant fit to help minimize spills and support reliable performance in high-volume beverage environments.

Multiple formats for every beverage type

Flat, dome, and sip-thru options support everything from soft drinks to specialty beverages, ensuring the right lid for each application.

Simplify inventory with cross-cup compatibility

Compatible across multiple PET cup series (626/636/600), helping reduce SKU complexity and streamline sourcing.

Quick identification with flavour button options

Select lid formats include flavour button functionality to support fast, accurate order identification in busy service environments.

Seal. Serve. Sip.

Leak-Resistant

High Clarity

100% Recyclable
