

ECO-FRIENDLY STRAWS

Sustainable Solutions Without Compromise.

A complete portfolio of biodegradable, compostable, plant-based, and paper straw solutions engineered for performance and environmental responsibility.

✓ Meet evolving regulatory requirements with confidence

Portfolio includes ASTM D6400 compostable, BPI-certified, and marine biodegradable options to support compliance across diverse regional regulations.

✓ Sustainable materials without sacrificing performance

Engineered to maintain durability and usability across beverage types, helping ensure a consistent customer experience.

✓ Multiple formats for every beverage application

Available in a range of diameters and formats to support everything from soft drinks to specialty beverages.

✓ Flexible portfolio to support sustainability goals

Includes compostable, biodegradable, and paper options, allowing operators to align packaging choices with their environmental initiatives.

A New Generation of Safe & Sustainable Straws

ASTM D6400 compostable plant-based

BPI certified & marine biodegradable (Back to Earth™)

Paper straws 100% compostable
